My Family don't cry take this time to become Strong unfortunately it was my time to go. As you walk the night look up to the sky and you will see me shinning as I watch over all of you. This was the year to grow my wings, thru it all I felt your love surrounding me. I am free now and, the sky is now my home, close your eyes and you will see that Dorothy Barrow will forever be.

So my dear family don't cry for me my soul has been set free!
