## *Reflections of Life*

***Gloria Joyce Uter*** affectionately called “Dovey” was the seventh child of Hershel and Olive Uter. She was born in Craighead Manchester, Jamaica, West Indies on September 21, 1961.

*She attended the Craighead all age school where she received her elementary education. She received further education at St. Monica’s Academy and Jamaica Commercial Institute where she studied short hand, typing and accounting. Gloria was a life long learner. She completed courses at Passaic County Community College and Phoenix University on-line. Gloria migrated to the United States in April 1983 first to Boston, Mass. She then relocated in June 1984 to Paterson/Clifton area in New Jersey. She spent the last twenty six years of her life here.*

*Gloria was a devoted mother to her son, Fabian and daughter, Keisha. She worked very hard to provide and demonstrate her love for her children. Gloria worked in the health care industry, at the Lincoln Park Christian Healthcare Center and Preakness Healthcare Center. She was a conscientious and caring worker. She provided loving care for those who were put in her charge. She was unconditionally supportive of her co-workers.*

*Gloria was the apple of her father’s eye and the right hand of her mother. Her brothers and sisters viewed her as the anchor that held the family together. She provided a listening ear and had an uncanny ability to see the end results of certain situations. Advice from her was given sparingly but timely. She loved to shop from QVC. She doted on her grandchildren, nieces and nephews, Western Union knew her well. She was constantly sending money and shipping barrels to Jamaica.*

*Gloria is survived by her son, Fabian; daughter, Keisha; daughter-in-law, Shakiea; three grandchildren; devoted friend, Reginald Adams; eight sisters; four brothers; and a host of nieces, nephews and other relatives. Special thanks to co-workers at Preakness and Church family God in His goodness touches our lives with her presence and to Him we give thanks.*

*When you speak that name you feel, love, appreciation, selflessness, fairness willfulness and much more. You were a phenomenal grandmother, mother, sister, aunt and friend that we all appreciated. Now that you are gone there is a void in our hearts that can't be filled. God saw that his loving daughter was getting tired so he reached out his hand and whispered "come home my child for there will be no more pain." for we knew that a cure could not be found. So one watched with tear filled eyes and broken hearts as your golden heart stopped beating, but it is comforting to know that you are resting safely and peacefully with him.*
