Obituary

Aaron Quamaire Connors was born on October 2, 1989 to Yalonda Connors and Jeffrey Glover. He was raised in Jersey City, NJ.

Aaron was educated in the Jersey City School system. He attended Lincoln High School, Snider High School and Mount Carmal Guild High School. Mount Carmal Guild High School helped most with putting him back on track....Thanks.

Aaron didn't have it easy growing up but he always managed to keep a big smile on his face, no matter how bad things were, he knew it could only get better.

Aaron never married or had children and in his short time here touched the hearts of so so many. My child you will never be forgotten. There are to many of us that you will live through. When you arrived to those big gates your grandmother or "Mamma" as she was called by all, was waiting there for you.

Aaron leaves many to cherish all the memories: mother, Yalonda Connors; father, Jeffrey Glover (Jacqueline); brothers and sisters, Courtney Bennett, Darryl, Jessica, Damon and Latasha Fair and Kason Dorsey, Willie Woods, Adiva Connors and Steffon Connors; grandmother, Debrah Smith; stepmother, Tasha Fair; and a host of other family members and friends.

We will miss you!

Prayer

We are people of the past, present and the future. Help us, heavenly father to keep these time frames in perspective. You have taught us to know the value of the past. Some of the memories you have allowed us to create are happy one's. Others are tragic of sorrowful. Give me the grace to move the death of my loved one into my memory. May the memories find a place of honor in my life, but may I also be able to live fully in the present, which you have given me, and to move into the future with hope and confidence that you are guiding, empowering and healing me. Amen.

Rest

*If there came a time
When the cracks in the streets fell,
And I was offered Hell,
Would I freely go?
If the sky darken and the sun burned,
Would I then pray?
If the water washed people ashore.*

*And I heard cries of no more,
Would I be afraid?
If I saw the creators face
And asked Him for His joy and grace,
Then will I die?
If I believe what's right is right,
But don't have the power to fight the fight,
That's what He would hear me say,
Trails and tribulations under all will be.
I'm of pure bone and flesh,*

*This doesn't seem fair to me.
Armageddon come soon,
Before I lose my faith.
Armageddon come soon,
Before I learn to hate.
Oh my cries are far from
suffering or even pain,
These are cries of loneliness,
that drive me insane.*
