*In loving memory of your gentle
face and patient smile,
with sadness we recall you had a
kindly word for each and died beloved by all.
The voice is mute and stilled the
heart that loved us well and true ah,
bitter was the trail to part from
one so good as you.
You are not forgotten loved one.
Know that we will never do as long
as life and memory last we will remember you.
We miss you now our hearts are sore.
As time goes by we will miss you more.
Your loving smile your gentle face.
No one can take your vacant place.*
