Heaven Has Gained An Angel

As you complete this temporary journey you have embraced our hearts yes we mourn but realize this is where your life truly starts your smile sparkled greater than silver and gold We're willing to let go of your hand so that God can grab hold . We will always love you as you have continued to love us all we ask now is that you look down while you are above us we are grateful that God put us in the midst of your presence we breathe with your memory and walk with your essence. The Lord is our Shepherd He tends to us as sheep and mends the hearts that are weak until one day we can shake his hand and sit at his feet we don't think of you as a loss to our family that remains We cherish you as a beautiful angel that heaven has gained!
