# THE LIFE OF LUCILLE LESTER SCOTT

*Death is not the ending for the Believer but the beginning of a new life which has been promised by God our eternal maker.*

**Lucille (Lester) Scott** was born on November 1, 1928 in Munneryn (Burke County), Georgia. She departed this life on September 16, 2010 at Trinitas Hospital, Elizabeth, New Jersey due to a long illness.

Lucille was the baby daughter to Hurshell and Lucy Cindy Lester. She received her education at Burton Chapel School in Burke County. She began her walk with God early at the Munneryn Methodist Church, Burke County, GA.

Afterwards, Lucille moved to New Jersey where she met her husband, Dave Scott (deceased). Through that union they had ten children. She was predeceased by six of her children, James Scott, Theresa Sams, Michelle Smith, Diana Branch, Wayne Scott and Rita Jett Hopkins.

This Christian woman who loved her church was an active member of the Antioch A.M.E. Zion Church. She was also a founding member of the church along with her husband, Dave Scott. Under the leadership of Rev. Madison J. Mac Rae, the original founding Pastor of Antioch in 1961. Lucille has worn many hats. “(she loved hats)”.

Lucille was an active member for Zion. She served forty-eight years in her local church, she was President of the Missionary, Chairman Trustee Board, Building Fund Committee, Church Choir and Stewardess, just to name a few. On the District level she was the 1st Vice President of the Lay Council, she started the Grandparent’s Recognition Affair. She served as Chairman of the Life Members for the Women’s Home Overseas Missionary Society (she loved so dearly), The New Jersey Conference Choir and the Necrology Committee. Zion has kept her busy. Her involvement with Zion afforded her the opportunity to travel through Zion’s Connection, there wasn’t a Conference meeting, Retreat or Board of Service that she missed. She loved Zion. She received many awards but her favorite was Par Excellence Award in Dallas, TX 1999 from Bishop H. Strickland. (Her Bishop).

To hold her dearest memories are shared by: her children, Hurshell Scott, Rachael Williams, Donna Scott and Susan Scott Braxton all of Linden, NJ; two sons-in-law, Gerald Braxton and Walter Hopkins; one brother, James Lester (Buddy) Brooklyn, NY; two sisters, Mary Louise Watkins and Rev Merritt LittleJohn of Augusta, GA; sixteen grandchildren, Stacy, Anissa, Cory, Billie, Leighton, Aldwan, Jermaine, George, Nicole, Latonya, Jameel, Kyle, Kara Lucille, Nathan, Janice and Isaiah (her bigaboy); twenty-seven great grandchildren; three great-great grandchildren; and a host of nieces and nephews.

*Mom would say I may not remember all what happen, but I thank God for my wonderful journey and the contributions that I have made. Still the harvests are plentiful but the labors are few. “I love my church-small but great. We believe with God on our side we can make things happen. To God be the glory for the things he has done.”*

*Favorite verse: “Seek first the kingdom of God and his righteousness and all these things shall be added to you.” Matt. 6-33.*

*Her greatest joy was she loved all her children, she loved her church, she lived her life and shared her life experience with everyone she was strongly encouraging and always working. She lived her life with dignity and grace, thanking God for every moment.*

*God sent mommy a guarding angel and Mom called her Cindy.  
Thank you Cynthia from the family.*

## *A Woman of Distinction:*

*My Mother.....*

*Is the wind beneath my wings as I sow through life's earthly things. She's the rich soil that rooted me with great wisdom. Every family has traditions that are handed down from one generation to the next. My mom is no exception. Those spiritual values that have shaped our lives are cherished and retained for the benefit of our children.*

*Just like she was taught from her mother how to make that great peach cobbler, she has passed that lesson down for those who listen. But sometimes we as children, temporary forget the ingredients and toss them aside in our daily living. But eventually, a growing emptiness creates a hunger for the Christian principles that once guided us. The fellowship that church involvement provides us, the family devotions that once united us. I believe the Holy Spirit uses our childhood memories to wet our appetite for the things of God. As we obediently search out his will and obey it, we in turn are establishing a Christian tradition for our children. With love and a strong hand to guide us, this is what my mother has given. She is a devoted Christian woman who loves her children and her church. I thank God for a mother named*
