## *MOM*

*For all the times that I forgot to "thank you"  
For all the special little things you do,  
For all the words that sometimes go unspoken,  
I need to say, "love you mom....I do".*

*I love you for the way you stop and listen  
And for our kind support throughout the years,  
For teaching me the meaning of compassion,  
and sharing in my triumphs and my tears.*

*And if at times I may have seemed ungrateful,  
I want to say I truly hope you see,  
that nothing you have done has been forgotten,  
And day by day you just mean more to me.  
With all my love, Victor*
