I Am Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard Him call
I turned my back and left it all.

I could not stay another day.

To laugh, to love, to work or play.
Tasks left undone must stay that way,
I found that peace at the close of day.

If my parting has left a void,
Then fill it up with remembered joy.
A friendship shared, a laugh, a kiss,
Oh, yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much.

Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.

Lift up your heart and share with me,
God wanted me now, He set me free!

Mom, thank you for being my Mom

There are no words to express what you mean to me.

I love you and am so proud of you. Your strength and grace have no limit. You are my best friend not just my mom. We shared everything laughs, anger, pain and advice but most important Joy. Everything I am, everything I do is because of you. All praises to you. As your daughter, I take great pride in knowing I introduced you to Community Baptist Church, to see all the joy you received from the church means the world to me. To give you a gift that no money could buy is precious and beautiful. All you ever wanted was to be happy and have peace. You can rest.

As many of my friends have said to me

You have the nicest Mom in the world

Well Done, Well Done Mom

Granny, I appreciate everything you have done throughout our childhood and raising us. Thank you.

Love you Granny. ~Raymond

Lucille we you love.

~Karee and Eunice

Aunt Lucille we love you.

~Nieces, nephews & family

I am proud of you and all of your accomplishments

A conversation never ended without saying I Love You

I thank you for everything & I will take the memories I have with you

And keep you in my heart throughout my journey in life.

Love's like the water when the well runs dry

Quench my thirst, keep my alive

Love is a shoulder to lean on, Love Is You.

~ I Love You Granny, Aiesha

I never believed in heaven until God took you away.

There's no other place an angel like you can be.

*I love you. Never had I imagined,
Living without your smile
Feelin' and knowing you, hear me
It keeps me alive, alive*

*And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Eventually I'll see you in Heaven*

*Love Always,
Asaddah*

Granny,

*You were always there for me
The tender wind that carried me
A light in the dark shining your love into my life
You've been my inspiration
Through the lies you were the truth
My world is a better place because of you
You stood by me and I stood tall
I'm grateful for each day you gave me
Maybe I don't know that much
But I know this much is true
I was blessed because I was loved by you
I am everything I am because of you*

*I Love You Granny,
Mommy*
