# *Precious Memories*

## *Reflections of Life*

*Ardell Aerial, known to many as Ardell, Mommy and NaNa was born on November 22, 1929 in Newark, New Jersey. She was the daughter of the late Henry Owens, Sr. and Queen Victoria Owens.*

*Ardell grew up in Newark and was educated in its Public School system. She was employed at Cohens Knishs from 1967 until 1981. Ardell was married to the late John L. Aerial, Jr. They moved from Newark to Iselin, New Jersey in 1996 with their two children, Wade and Dawn Aerial.*

*Mama was one who loved and care deeply for her children and family.*

*Mommy and NaNa was the sweetest and most caring woman in the world. We couldn't ask for a better mother or grandmother. She had a heart of gold. She was always cooking for the holidays not only for her family but enough for anybody who stopped by. She gave bus rides for the neighborhood kids and cookouts.*

*She was very protective about her children and grandchildren and there was nothing she wouldn't do for her children and grandchildren.*

*Anyone that came in contact with her couldn't help but to love her, you couldn't ask for a better mother or friend. She was one of a kind. Mama you will be truly missed. Your children and grandchildren Love you always and forever.*

*Ardell departed this life on December 6, 2010 at Newark Beth Israel Hospital in Newark, NJ.*

*She leaves to cherish her memory: six daughters, Dawn Aerial, Victoria Koiner, Doreen Danzey Grantling, Antoinette Goines, Janice Pernell and Robin Aerial; two sons, Wade L. Aerial (Cassandra) and Richard Aerial (Alberta); her brothers, McKinley Owens, Henry Owens, Jr. (Bertha); one sister, Dixie Lee Dails; thirty grandchildren; sixty-seven great grandchildren; eleven great great grandchildren; a special sister, Willie Ozzie Gray; and a host of nieces, nephews, cousins, other relatives and friends.*

*Ardell was preceded in death by: her husband, John L. Aerial, Jr., one sister, Marion Owens, one son, James Tuddles, III, two daughters, Valores Johnson and Gail Gaither and two grandchildren, Nicole and Terrance J. Aerial.*

## *A Mother's Love*

*A Mother's Love is like no other. It's a love that you just can't find anywhere on this earth in no one else. It's a love sent from heaven and there is no one in this world like her or can ever replace her. A mother's love is something that you need in your life. It's a special and nurturing love that she gives to her child/children. She is your best friend indeed. You'll definitely see it until the very end. You never have to question her love because it's unconditional. A mother will always have your back when no one else will, she will always be around without a doubt. As you go through life, you'll remember the things she has taught you and told you all your life, because mom knows best. It's something about a mother's love that is so special that you can't buy or get from anywhere. She gave you life and love that is very real. There is nothing in this world that she wouldn't do for you and for her family too. Mom's love is one of a kind because there is no one in this world like mine/ours. A mother knows her child/children inside and out (better than anyone else). She knows when you're sick, sad or when things just aren't right and you don't have to say a word. Mom always know the perfect words to say and when you hear her say "Baby don't worry, everything will be okay", it would be, just because she told you so. There are times when she may get tired and weak, but she will never let you know this because she will always stand strong. Her strength is one of a kind. She is the backbone in every family that we all need. A mother has these instincts that are unbelievable. I know somewhere deep inside she has these special powers, connection and perfection like no one I've ever seen before because she is a superwoman all in one. I hope and pray that I will have her strength, wisdom and courage that she had, someday because she has paved the way to that I/we can be who we are today. Mom, I just want you to know that I Love You in a very special way. Now you are with your one and only love again John L. Aerial, Jr, in heaven and you both can spread your wings together. And we all shall be together again.*

*~Love always and forever your baby, Dawn*
