Pray To You

I finished my life here on earth
and my work is truly done,

The race that I was running has now
met the sun.

The light shined on me that day when He
said no more place to roam.

Good Job, Well done time to come on home.

You may cry today, but weep no more,
For I'm with the father now He opened the door.

No sorrow or pain for me I say that
time has come to pass.

I have my Golden robe, my madison
In heaven will life will ever lasted.

Cry no more I say God will show you the way.
So farewell, not goodbye, just kept God and pray.
