May I Go Now

*May I go now Do you think the time is right?
May I say goodbye to pain filled days and endless lonely nights?
I've lived my life and done my best, an example tried to be.
So can I take that step beyond and set my spirit free?
I didn't want to go at first, I thought I fought with all my might.
But something seems to draw me now, to a warm and loving light.
I want to go, I really do. It's difficult to stay
But I will try as best I can to live just one more day
To give you time to care for me and share your love and fears
I know you're sad and afraid because I see your tears.
I'll not be far, I promise that and hope you'll always know
That the spirit will be close to you wherever you may go
Thank you all for loving me, you know I love you too.
That's why it's hard to say goodbye and end this life with you.
So hold me now just one more time and let me hear you say,
Because you care so much for me, you'll let me go today.*
