May I Go Now

*Do you think the time is right?
May I say goodbye to pain - filled days
and endless lonely nights?
I've lived my life and done my best,
an example tried to be,
So can I take that step beyond
and set my spirit free?
I fought with all my might,
but something seems to draw me now,
To a warm and lovely light.
Thank you so for loving me,
you know I love you too.
That's why it's hard to say goodbye
and end this life with you.
So hold me now just one more time
and let me hear you say,
Because you care so much for me,
you'll let me go today.*
