My Farewell

*Our family circle has been broken
link has gone from our chain;
But though we are parted for a while,
We know we will meet again.
Sometimes it's hard to understand
why certain things must be,
but there is a reason for it all,
beyond our power to see.
The cover of life's book is closed
for one we loved so well;
But the loving deeds of
by-gone days are what the pages tell.
The blow was hard, the shock severe;
We never thought your death was so near.
But only those who have lost can tell
The pain of parting without farewell.*
