Obituary

The late Fanny Mensah was born by Nana Mensah Tiadom II the late Amaƙomhene and Christiana Eshun of the blessed memory. She attended school in Mofra Tro Girls School at Tafo and later completed her high school education in Kumasi. Shortly after her completion from the high school, she took to hairdressing career. In hairdressing field she excelled so well in this industry that she was well reckoned by great number of Ghanaians in the Diaspora. Fanny's Beauty Saloon which she owned opposite pioneer Biscuit Factory was so popular that she caught great deal of attention from people from all walks of life. She trained so many girls in hairdressing industry to stand on their feet and become also a role model for them as well. She had a great sense of humor and above all great philaniarof as well. She was a sociable person who could've been seen in most functions and gatherings when she was in Ghana, and later continued the same way here in United States. She died tragically inside a Greyhound Bus from Mt. Laurel to Newark Penn Station of Cardio Attack. She left behind five children and four grandchildren which she took great care of them till her death. She will be fondly remembered by her children, siblings and all friends and sympathizers. May the good Lord give her soul a resting place.
