## Obituary

*P*aul Terrell McNair was born on December 17, 1969 in the Bronx, New York. He was the youngest of five children born to Addie Dixon and the late John Bennett. It was on the morning of February 3, 2011, God called Paul from his earthly duties on to a higher calling.

*P*aul was a great son and a loving father, as well as an attentive companion. He was also a wonderful brother, uncle and friend.

*P*aul was an easy going and lovable young man with a tender spirit. He graduated from Morris High School in 1988. Paul was a faithful and dedicated employee of the SYNAGZO Company where he was employed for eighteen years. He was recently employed with the Department of Environmental Protection.

*P*aul leaves to cherish his precious memories: his loving mother, Ms. Addie Dixon; longtime companion, Ms. Shona Traylor; four children, Porshe and Paris Crawford, Jovan P. McNair and Mya M. McNair; siblings, Nathaniel L. McNair, Shirley Nevers and James Bennett. He was preceded in death by his brother, John W. Bennett; and a host of nieces, nephews, cousins and longtime childhood friends, Marvin Staten, Anthony Beazer and Keith Jones; god parents, Robert Conney and Sheila Ortiz; special cousin, Verondo Wilkerson; and the Fox fam.

## *"I'll Love You Forever"*

*It's been a long time since  
I first told you that,  
but it's still true with each new day  
The more of forever we share  
the more positive  
I am that you are my happiness.  
Of course it hasn't always been perfect  
we have had disagreements, disappointments  
and many stressful days and nights  
Love can't change that but it does help  
make those moments seem pretty small  
compared to all the wonderful  
times we've shared*

*I'll never stop loving the way you looked at me,  
the way you smiled, the way you made me feel,  
"I'll love you forever"*

*~Shona*
