The Clock of Life

*The clock of life is wound but once
And no man has the power to tell
Just when the hand will stop
At late or early hour.*

*To lose one's wealth is sad indeed,
To lose one's health is more,
To lose one's soul is such a loss,
As no man can restore.*

*The present only is our own
We shall live and toil with a will
And place no faith in tomorrow,
For the clock may then be still.*

Acknowledgement
