"My last letter to you"

Dear Travis,

Not a day goes by when I don't think about you, you truly are unique in gods gift... A gift that only lasted 28 years but worth everyday that I've known you..... your smile, your warmness and your everything that you gave me I hold tight in my heart..... Your memory will never fade I can promise you that... Though my heart cant take the pain I can feel you rubbing it telling me every things gonna be ok then I feel better and smile.... They always say when you lose someone close to you it determines how strong you are to keep moving on and living life and there's no one stronger then me.....
