Good Night

*Good night, Sleep tight I'll see you tomorrow
I won't say goodbye because parting is such a sorrow
So close your eyes and go to sleep
Your ears go death and you won't hear me weep
Good-bye is forever, So long is for now
We'll meet after sunset when the good Lord allows
Life is so fragile one day it will be broken
And after all has been said there are still words unspoken
I love you and will miss you while we are apart
And you will always have a special place deep in my heart
We'll meet again one day and this time I bet
Our smiles will be greater Sunrise, Sunset*
