## Obituary

**January Michelle Frazier** was born on December 20, 1976 to Audrey Frazier and Roger Pruitt in Harlem Hospital in New York City. She was called home on Saturday, March 12, 2011 at the age of thirty-four. She attended Jackson Memorial High School. January lived most of her life in New York City. She spent a large part of her career working in the financial sector.

January, like her name, lived her life in firsts. She was the first to offer help. She was the first to offer a shoulder to cry on. She was the first to offer an encouraging word. She was the first to laugh with you. She was the first to pray for you.

January's nature was to nurture. She would offer to help you whether she knew you for twenty years or twenty minutes. I can remember as a young child always following my big sister everywhere she went and wanting to do everything she did. January was patient, her capacity to love was felt by everyone she touched. This love is beautifully displayed in her children, Taylor, Tyler and Jady. Each of them have a special characteristic that's uniquely January. Taylor's independence, Tyler's kindness and Jady's fearlessness are all traits that they inherited from their mother but above all they inherited her ability to love. January loved many and in return, she was deeply loved. God gave January strength, beauty and love and God gave us January.

January leaves behind: her mother, Audrey Frazier; father, Roger Pruitt; three children, Taylor, Tyler and Jady; three sisters, Mia, Ashley and Regina; one brother, EJ. She also leaves behind an uncle, Anthony; two aunts, Michelle and Cynthia; and a host of cousins and countless friends.

*1 John 4:7, Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God.*

*Colossians 3:14, And over all these virtues put on love, which binds them all together in perfect unity.*

# I'm Free

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me  
I took his hand when I heard Him call  
I turned my back and left it all.  
I could not stay another day.  
To laugh, to love, to work or play.  
Tasks left undone must stay that way,  
I found that peace at the close of day.  
If my parting has left a void,  
Then fill it up with remembered joy.  
A friendship shared, a laugh, a kiss,  
Oh, yes these things I too will miss.  
Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much.  
Good friends, good times, a loved one's touch.  
Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now, He set me free!*
