Exlibris

*I shall pass through the world
But once: any good therefore that
I can do or any kindness that I
Can show to any human being,
Let me do it now, let me not defer
Or neglect it for I shall not pass
This way again.*

“Where Our Sympathy Expresses Itself Through Sincere Service”

When I Must Leave You

*When I must leave you for a little while
Please do not grieve and shed wild tears
And hug your sorrow to you throughout the years
But start out bravely with a gallant smile
And for my sake and in my name
Live on and do all things the same.*

*Feed not your loneliness on empty days,
But fill each waking hour in useful ways.
Reach out your hand in comfort and in cheer,
And I in turn will comfort you and hold you near.
And never, never be afraid to die,
For I am waiting for you in the sky!*
