To my loving mother who was an amazing woman and was always there when I needed you. It hurts me mentally and emotionally to lose you. If love could have saved you, you would be here looking in my eyes. I will think of you most of the time especially when I'm feeling down and alone. But when I think of you I know I'll be just fine because you are my sunshine. You encourage me to make a better life for myself and for that I won't let you down

Breanna
