## Obituary

**Michial Eugene Hampton**, son of the late Gladys Hampton and Jim Hampton was born in Hueytown, Alabama on July 27, 1953. At seventeen months old, after his mother passed, he was lovingly raised in Great Neck, New York by his grandparents, the late Lully Hampton and Birdell Hampton who currently resides in Huntington, New York. Michial attended Saddle Rock Elementary School and graduated from Great Neck North High School, both located in Great Neck, New York.

After graduating high school, Michial attended Nassau Community College and thereafter began a career as a Lab Technician. At the age of nine years, Michial trained in the Martial Arts, obtaining the highest honor in Kungfu. Michial owned his own Kungfu School in Little Neck, New York for many years. His Kungfu training school was renowned by many parents. All the adults from all the surrounding areas registered their children with Michial where they maintained a genuine likeness for him. He had a great passion for sports cars and always owned the latest Corvette or TransAm automobile and survived a near death accident in 1974.

He accepted our Lord and Savior Jesus Christ and joined the Greater Allen Cathedral A.M.E. Church of Jamaica, New York. Later, he attended on a regular basis the CLCC Church of Brooklyn, New York along with his wife, Lynnise whom he met and married.

Michial was a very loving grandson, nephew and cousin, who was very playful and high-spirited. What was most incredible about Michial was his intellect. There was no subject that Michial did not know something about.

Michial later had a passion for helping people and his career choices showed that, Michial serviced those that was battling substance abuse with counseling at J-CAP and Samaritan Village. Later on he took his services to help with assisting those living with HIV and AIDS at Human Resources Administration HASA unit and touched so many lives including co-workers with wisdom and a fatherly stubborn attitude but they loved him anyway.

He leaves to mourn his passing: his wife, Lynnise Wright-Hampton; his grandmother, Birdell Hampton; his two aunts, Ethel Gregory and Anne Hankinson; two uncles, James Hampton and John Hampton; his many cousins and a host of friends.
