*I love you middle brother and I always will,  
right now no one can imagine the pain I feel.  
You were my rough, arrogant, special, humble &  
intelligent dude, which all equals the  
characteristics of you. I never thought your life  
would be taken from you the way it was, on the  
strength of an argument or just because.*

*I hope you smile down on the family from the  
heavens up above, I promise I will cherish every  
moment of those I Love. To my brother you will  
be missed, just showing a lil love from ya  
nephew & baby sis. To my family let's be strong &  
encouraged in this trying time, for those of us  
having trouble don't hesitate to turn your bible to  
Psalm 31:9.*

*Acknowledgement*

*The family acknowledges with deep appreciation all acts of  
kindness extended to them during this bereavement hour.  
God bless you for all your thoughtfulness and concern.*
