He Wished No One A Last Farewell

*He wished no one a last farewell, nor even said goodbye.
He was gone before we knew it, And only God knows why.
They say time heals all sorrow, And helps us to forget,
But time so far only proves how much we miss him yet,
God gives us strength to face it, and courage to bear the blow.
But what it meant to "love" and lose him no one will ever know.*

Heaven Has Gained An Angel

*As you complete this temporary journey
you have embraced our hearts
Yes we mourn but realize this is where
your life truly starts your smile sparkled greater
than silver and gold We're willing to let go of your hand so that God
can grab hold . We will always love you as you have continued to
love us all we ask now is that you look down while you are above us
we are grateful that God put us in the midst of your presence we
breathe with your memory and walk with your essence. The Lord is
our Shepherd He tends to us as sheep and mends the hearts that are
weak until one day we can shake his hand and sit at his feet we don't
think of you as a loss to our family that remains We cherish you as a
beautiful angel that heaven has gained!*
