Obituary

Gift of God

On June 20, 1922 **Dorothy Rebecca Fraser** was born to Mable and Edward Williams in Isla de Pinos, Cuba. Dorothy was the second child of 9 children. She also grew up in Jamaica, West Indies and came to the United States where she met and be-wedded her life-long soulmate of 60 years, Leonard Foster Fraser on May 21, 1949 in New York. Dorothy gave birth to son, Leonard Alphonso Fraser, and daughter, June Debra Fraser.

Dorothy's Life

Dorothy was a seamstress by profession who was a master at designing clothes. She loved to cook and took great delight in making dishes to the likings of her family and friends. She was sassy, feisty, with a great sense of humor but stern in her beliefs. She was very prim and proper, prideful and a woman of great honor. Undoubtedly, she was the epitome of a classy Lady. For all those who were blessed to meet her, the overall characteristic that stood out the most was her love of the Lord and her undying faith as His servant. She served on various church committees and sang on many choirs. Her passion to help others was her primary mission, exuding always that generous spirit. She fed the hungry (we had many families at the dinner table that we did not know), clothed the needy and donated unselfishly to causes that mirrored her life's convictions. Her smile was loving and heartfelt. Dorothy upheld the title of matriarch in the family and was a beloved Mother to all as she touched many lives and leaves behind a profound legacy. Her walk in life left permanent footprints.

The past years were filled with various illnesses that she battled with humbleness. She was a warrior in all aspects of her life and fought until the very last day with us.

For My Family and Loved Ones

The Lord has taken me from you,
Although I won't be very far.
Know that I will be watching through the sunshine
And through the brightness of stars.

I'll be watching all of you,
From the heavens up above.
So take good care of each other
And carry all my love.

If you're ever wondering if I'm there,
Here's where you can start.
Take a look inside yourself,
Within the deepest pits of your heart.

Close your eyes and open up your soul,
And I guarantee that you will see your beloved Dorothy
Embracing you from God's kingdom above.

Acknowledgement
