All Nature Tells Us Nothing Really Ever Dies

Nothing really ever dies

That is not born anew-

The MIRACLES of NATURE

All tell us this is true...

*The flowers sleeping peacefully
Beneath the Winter's snow
Awaken from their icy grave
When spring winds start to blow
And little brooks and singing
streams, Icebound beneath the snow,
Begin to babble merrily
Beneath the sun's warm glow...
And all around on every side
New life and joy appear*

To tell us NOTHING EVER DIES

And we should have no fear,

For death is just a detour

Along life's wending way

That leads GOD'S chosen children

To a bright and glorious day.
