*To My Family...
May I Go Now?*

May I go now?

*Don't you think the time is right?
May I say goodbye to pain - filled days
and long Sleepless nights?*

*I lived my life and done my best,
an example I tried to be, So can I take that
step beyond and set my spirit free?*

*I didn't want to go at first, I fought with all my
might, But something seems to draw me now, to a warm
and lovely light. I want to go I really do it's difficult to stay.*

But I will try as best as I can to live just one more day.

To give you time to care for me and share your love and fares.

I know you're sad, and are afraid because I see your tears.

I'll not be far, I promise that and hope you'll always know.

That my spirit will be close to where ever you may go.

*Thank you, so for loving me, you know I love you too.
That's why it's hard to say Goodbye and end this life with you.
So kiss me now, just one more time and let me hear you say,
Because you cared so much for me,
you'll let me go today.*

Love Marjorie...
