*I'll Always Love and
Appreciate You,
Dad*

*Dad, it is not always easy to
tell you how I feel about you.*

*I have left many of my thoughts unspoken,
thinking there would be another time, a better
time, to talk, and yet time keeps passing by, and it
makes me realize that the time is now to let you know
how thankful I am for your love. I appreciate you and
respect you, Dad, and though I don't tell you often I
certainly feel it in my heart always. I love you.*
