Life Reflections

Mary E. Nelson-Seldon was born July 25, 1928 to Liela Kemp and Curtis Nelson in Hamilton, Georgia. She was a sibling to four which have all passed away except for a brother.

Mary worked for Bristol Myers Pharmaceuticals for a number of years until she retired. Mary was also known for working in her yard, for she had a wonderful green thumb for gardening, and she was a great cook.

She leaves a daughter, Janice and husband, Joseph Wilson of Piscataway, NJ; son, Charles and wife, Anita Seldon of Jonesboro, GA; son, Michael Seldon of Vauxhall, NJ; a brother, Willie and wife, Dorothy Nelson of Cleveland, OH; four granddaughters, two grandsons, fifteen great grandchildren, and a host of nieces and nephews.

Essence

*There is a hush about this hour
Which words cannot convey
A holiness that settled
Upon the close of day
And all our busy doings
Just evaporate like air
As we move into the stillness
That enfolds us every where
Oh spirit of my spirit
You are my very essence
Let all my labors settle
As I rest within thy presence*
