Change of Address

Dear Family and Friends,

I want you to know that I have moved. I received a call from God, the Chief Architect, who informed me that my new house is ready and I could move immediately. Well, my new home is finished and its such a beautiful sight to behold. It is located in an exclusive estate area and it sits behind a beautiful pearly gate.

There is peace, joy and happiness here with no more pain to bear, no strife or discontent. I could go on exploring around my new home but I have to get fitted for my wings. Let me give you my new address because I highly recommend you make plans to live here too.

Sarah Lindsey

Oh yeah! Let me tell you this , I don't have a telephone yet, but first call God. If you don't have His number, He is listed in the Good Book on every page. Contact Him.

Start of Her Journal

First snow of October 30, 2011 unbearable, the first big snow like this was in 1954, I was six years old. I am sixty-two years old now, Miss Sarah Lindsey (smile).

Today is October 31, 2011 this morning was good for me, I went to the bathroom and on my way back I had a small attack.

December 21, 2011, my treatment going good, just one thing was sleep all day.

Shonda asked was I feeling good, “just sleep all day”. I said “I’m alright.” Crystal always say mom are you alright (smile). Colleen call me everyday while she’s at work to ask me did you eat (smile), and she call at night and we be on the phone for a while. My son Rodney he call sometime, mom you alright. But he don’t want to see me sick. But I know he loves me.
