To My Family,

Please be advised that I, **Lizzie Lee** have moved. I received the call the other day from God. The Chief Architect and He informed me that my new home was complete. You all knew I had been working on my building. Sending up my timber, packing up and getting ready to go. I knew my mansion needed some finishing touches and that the chief carpenter, Jesus Christ, had to inspect it and give me the final approval. On Thursday, January 12, 2012 in the morning hours, he let me know that my mansion was complete and I could move in. So He told me to go on and change my address. Well, my new house is finished and what a sight it is to behold. It is located on an exclusive Estate area behind beautiful pearly gates. You know the streets are paved with gold and every day is Sunday just like you've been told. There is peace and happiness and joy here of course there's my Mom. There is no more pain or heartache, no strife or discontent only sweet serenity. You don't have to worry about me I can sit at the Master's bountiful table. I can go on and on about my new home but instead I will pray that you move here one day. Oh before I go, let me give you my new address:
