Reflections of Life

The Family Tribute

Loving You

Loving you is something we all enjoyed to do. Your beautiful smile, your everlasting bliss, your slow walk and gentle hug, kiss. Those are just a few things that we will all miss. You were like a breath of fresh air. Never once did you not care. In our hearts, we can't despair, because you will always be here. May your soul live on forever, because we will always be together. So, for now we will put you to rest, because for all of us, I know you would want the best. There's so much we all want, need and forgot to say. But, there's one thing for sure, we can't stand in God's way. So, as your family and friends, we must stay strong ... so you're precious name may carry on. We love you then, now and forever. In our hearts, minds and souls, we will always be together.
