Good-Bye Too Soon

You were here one day and gone the next

*But we all know your tired and weak body needed rest
Even though we said our "Love you's" & "Good-Bye's"*

Doesn't mean we still won't cry

You nodded your head to let us know you were ready to move on

We just can't believe that you're really gone.

Hurting everyday knowing you won't be back

*We, as your family promise to keep OUR "Nelle" on track
Just know that your closed eye smile, will forever be missed
As we pray, cry and say "good-bye" with a kiss*

Love you forever and a day,

Bridge & Antwan

Acknowledgement

*The family wishes to acknowledge with deep appreciation
the many expressions of love, concern and kindness shown
to their family during this hour of bereavement.*

May God Bless and Keep You!
