My Gentle Giant

You were born April 25, 1995. Your eyes were open and you winked at me. That was the happiest day of my life. The doctor put you in my arms and the joy that you gave me was profound. I called you Pooh Bear. I love you Corey; and I will not stop fighting for you. You gave me bear hugs and always said "I love you mommy". You are my Gentle Giant. You told me 3 weeks ago that you will become a chef and you are taking culinary classes. I'm so proud of you. Corey you are the best part of me and I will always love you.

My Gentle Giant

*Love,
Mommy*
