I'm Free

*Don't grieve for me, for now I'm free
I'm following the path God laid for me
I took his hand when I heard him call
I turned my back and left it all
I could not stay another day;
To laugh, to love to work or Play
Task left undone must stay that way
I found that place at the close of day
If my parting has left a void,
Then fill it with remembering joy
A friendship shared; a laugh a kiss;
Ah yes these things I too will miss
Be not burdened with times of sorrow;
I wish you the sunshine of tomorrow
My life's been full, I've savored much
God friends, God times, A loved one's touch
Perhaps my time seemed all to brief
Don't lengthen it now with undue grief
Lift up your heart and share with me
God wanted me now...He set me Free*
