Change of Address

Dear Friends & Family:

Please be advised that I have moved. I received a call from God, the chief architect, and He informed me that my new home was complete. You all know that I have been working on my new residence, sending up my timber, packing up and ready to go. I knew that my mansion needed some finishing touches and the chief carpenter, Jesus Christ, had no inspect it and give the final approval. On the afternoon of May 6, 2012 he let me know that my home was complete and that I could move in. He told me to go ahead and change my address.

Well my new home is finished and what a sight to behold. It is located on an exclusive estate behind a beautiful Pearly Gate. Of course, you know that the streets are paved with gold and every day is Sunday, just like you've been told. I can walk and talk with the Master without a worry or care.

I lived in a home built for man for a short time, but my new home is so much better than any of the other places I have lived. There is peace here, joy and happiness. There is no more pain, no heartache, no more pills, doctors or discontentment...only sweet serenity. I can dine at the Master's bountiful table and listen to the heavenly choir. And best of all, my Heavenly Father is here in all his glory.

I could go on and on about my new home, but instead I am going to pray that you get to move here yourself someday...But before I go let me give you my new address:
