While I Sleep

When I slipped away without a goodbye,
I never meant to hurt you,
Nor make you cry.

Wipe away the tears that stain
Your face and rejoice for me,
I finished my race!

I gave my all and did the best
I could throughout our times,
Bad and good.

Always keep me close at heart,
To somehow feel that we are not apart,
Hold to precious memories we made
And as years pass by let heartache fade.

Remember me, I loved you so,
Yet God needs me now
Please let me go.

Acknowledgement
