

When I Am Gone

*When I am gone, release me, let me go
My life has been full with the things I've seen and done.
Please do not tie yourself to me with too many tears,
Be happy that we had so many years.
I gave you all my love, and dears you can only guess.
How much you gave me in happiness
I thank you all for the love you have shown,
But now sweet ones, it's time I travel on alone.*

*So grieve a little while for me, grieve if you must.
Then let your grief be comforted by trust.
It's only for awhile that we must part,
So blessed be the memories within your heart.
That's where I'll stay.*

*Though you can't see me or touch me,
I'll always be near, and if you listen with your heart
you'll hear all my love around you soft and clear
And then, when finally we all meet on Heaven's shore.
I'll greet you with a smile and say,
"Welcome Home."*
