

A Mother's Love

There is nothing like a mother's love

Nothing like her touch.

Nothing like hearing her voice.

*Nothing like knowing when things are not going
exactly the way you like.*

She will be there to make things better.

*Nothing like knowing
if you can not count on anyone else you can count on her.*

*No one or nothing can or ever will
take the place of a mothers love.*

Mommy we love you now and always.

You will always hold a special place in our hearts.

*All our Love
Your children*

God In Heaven

God above, please protect the angel you have taken from us
Please hold her hand

Please wrap your arms around her

We ask this with love and we seal this request with a kiss
We will miss her dearly, but we know you will take care of her
Love you Mommy, Now and always.

Acknowledgement

*The family wishes to thank everyone for all their prayers and acts of
kindness extended during this time of sorrow. We thank you for your
kind words, your concerns and your thoughtfulness. It is all appreciated.*
