## *Miss Me But Let Me Go*

*When I come to the end of the  
road and the sun has set for me,  
I want no rites in a gloom filled room,*

*Why cry for a soul set free?*

*Miss me a little-but not too long,  
and not with your head bowed low.*

*Remember the love  
that we once shared,  
Miss me-but let me go.*

*For this is a journey  
that we all must take,*

*And each must go alone.*

*It's all part of the Master's plan,  
A step on the road to home.*

*When you are lonely and sick at heart,  
Go to the friends we know.*

*Laugh at the things we use to do  
Miss me-but let me go.*
