A TRIBUTE TO JIHAD

*No words I write could ever say
how sad and empty we feel today
the Angels came for you much
sooner than planned!! We'll brave
the bitter grief that comes and we'll
try our best to understand why you
had to go away... Why wasn't it
right for you to stay In our hearts
Jihad will always be... We love him
dearly and know he'll watch over us
What we're suffering seems unfair But one thing is for
certain our love for you will always be there Jihad,
you always be the most important part of our hearts
memory We'll cherish the moments we had while you
were here and sure that if you had stayed longer you
would have graced us with your charms A thousand
words won't bring you back We know because we tried
neither will a thousand tears We know because we
cried now you're up in Heaven with the Angels up a
bone they will take our place for now And they will
take our place for now And they'll give you all their
love So go rest in paradise now My dear Jihad
For all our love and memories, u gave us
We will hold forever near.*
