Reflections of Life

Robin Jones, age 39, was born in Paterson, New Jersey departed her life on October 28, 2012. Robin was born August 30, 1973 to Eloise Jones and the late John Sandlin. She was known for many nicknames but the one we all remember her as was Shamara.

She was predeceased by her father, John Sandlin, her sisters, Louise and Nancy Jones, brothers, David and Michael Jones.

She is survived by her mother, Eloise Jones; her sisters, Annette, Brenda and Elaine Jones and Pamela Brooks; her brothers, Anthony and Peter Sandlin and both Daniel and Tracy Jones; others such as nieces, nephews, cousins and friends.

A human life story is told by God to live in hearts we leave behind is not to die we must embrace pain and burn the fuel for our journey life is eternal and love is immortal if one should say to you, that the soul perishes like the body answers of a flower will wither and the seed will remain the same death leaves a heartache no one can heal, love leaves a memory no one can steal with every breathe in a soul, you Robin will never be forgotten.

Prayer For Strength

For this reason we bow our knees before our FATHER from whom every family member in heaven and on earth is named according to the riches of his glory he may grant us the strength with power through his spirit Christ may dwell in our hearts through faith may we have strength to comprehend with all the saints and to know the love of Christ will surpass knowledge from the fullness of GOD Christ Jesus be our glory as we put away a loving family member and hold on to every memory throughout all generations to come.

AMEN
