*Dear Grandma,
We lie here every night thinking of you.
Tears fall from our eyes feeling so blue.
Why did you leave us all alone?
You got your wings and off you have flown.*

*God didn't take you away from us.
He just made you an angel with wings to fly.
To look after all of us up in the sky.*

*Never will we forget our lovely dear grandmother.
Now we know she's in a better place.
We will keep her alive in our heart and head.*

*Although we cannot see you we feel your presence near.
We will hold you close in memory till we drop our last tear.*

*Love,
Your Grandchildren*
