To Those I Love

When I am gone just release me let me go so I can move into my after glow. You mustn't tie me down with your tears lets be happy that we had so many years. I gave you my love you can only guess how much you gave me in happiness. I thank you for the love you each have shown, but now its time I traveled on alone. So grieve for me awhile if grieve you must then let your grief be comforted with trust. It's only for a while that we must part so bless the memories within your heart, and then when you must come this way alone; I'll greet you with a smile and a welcome home.
