Feel No Guilt In Laughter, She knows How Much You Care

Feel no guilt in laughter, she know how much you care
Feel no sorrow in a smile that she is not here to share.
You cannot grieve forever; she would not want you to.
She hope that you could carry on the way you always do.
So, talk about the good times and the way you always do
The days you spent together, all the happiness you shared.
Let memories surround you, a word someone may say
Will suddenly recapture a time, an hour, a day,
That bring her back as clearly as though she were still here,
And fills you with the feelings that she is always near.
For if you keep those moments, you will never be apart
And she will forever locked safely within your heart.
