

Chase the baby that we all came to see he left us wondering how he would be if he had a chance to live. He died a little too early and now I look at the sky daily wishing he could be here with me. Maybe it's just me but I really do miss my baby. Now I'm thinking R.I.P while he looks down on me. I Love You Chase.

From Amber Tyler

Dear little Brother

I love you so much and I remember the times I would rub my mommy belly and felt you move.

I'm gonna miss you.

Love Your big Sis

Acknowledgements

perhaps you sent a lovely card or sat quietly in a chair.

perhaps you sent a floral piece if so, we saw it there.

perhaps you spoke the kindest words as any friend could say.

perhaps you were not there at all just thought of us on that day.

Whatever you did to console our hearts, we thank you, whatever the part.

Obituary

On June 1st 2013 at 12:39 p.m. **Chase Aidden Tyler** was born he weighed five pounds, fourteen ounces and was seventeen inches long. And at the same time God came and took our little angel home.

He brought joy to my heart with every move that he made when he was inside me. A tiny hand I gripped your fingers and generations are linked with a bond of love. What a wonderful moment to treasure and cherish.

Chase leave to cherish his memory: his mother, Sonsarae Tyler; father, Stephan Farrar; sister, Aamyiah Tyler; brother, Jadden Bell; and a host of aunts, uncles and cousins.
