*Those we love are never really lost to us.  
We feel them in so many special ways-  
Through friends they always cared about  
and dreams they left behind.  
In beauty that they added to our days...  
In words of wisdom we still carry with us  
and memories that never will be gone...  
Those we love are never really lost to us-  
For everywhere their special love lives on.*

Lovingly and Sorrowfully,  
The Family
