A Mother's Love

A mother's love is everlasting though the flesh is gone. The memories of joy and laughter will still live on I will always miss your voice and your presence I will remember all of the times we shared. Don't worry I will move on as I get in my car listening to your favorite song, "I Got Love On My Mind" - I know life still goes on as I start my days and end my nights my mother's love will embrace me tight. Feeling your presence and knowing you're there letting me know I have nothing to fear. I will then close my eyes and squeeze real tight then I will have a good sleep.
