*God Saw You Getting Tired
God saw you getting tired
And a cure was not to be
So He put His arms around you
and whispered, 'Come to me'
With tearful eyes we watched
you. And saw you pass away
Although we loved you dearly,
We could not make you stay. A
golden heart stopped beating,
Hard working hands at rest
God broke our hearts to prove
to us He only takes the best.*

Yvonne Merle Francis affectionately called “Muffet” is the fifth of six surviving children for the late Hilda May and Gilbert Francis. Born March 23, 1941 in Kingston Jamaica. She peacefully went to rest just before dawn on July 15, 2013.

Muffet completed her school years in Jamaica and migrated as a very young woman to the United Kingdom in 1962 and later joined her sisters in the United States in 1974. She spent her adulthood tirelessly and wholeheartedly in the service to others. She was selfless, generous, hardworking and a perfectionist. Striving always to do well in whatever she does and expected the same from all of us.

Her passion in life was her relationship with GOD. While living in the United Kingdom, Muffet experienced a spiritual awakening, which sustained her throughout her life. She enjoyed sharing the grace of GOD in all her interactions and expected everything to be done by biblical standards. GOD in turn sustained her in her struggle through thirty-seven years of progressively debilitating sarcoidosis until finally He called her weary soul toREST.

Preceding her in death are both her parents, sister Hermaine Beckles (Aunt Faye) and brother Fitz Ransley (Blue).

She leaves behind: sisters, Bernice (Aunt Millicent) and Elrica (Auntie Rica); brother, Gervis (Uncle Roy); daughters, Nicole and Chauntol; son, Michel; five grandsons; two granddaughters; several nieces, nephews and close friends.

We will miss her and always remember her for she was such a vital part of our lives. But, we have that hope to meet again, when Jesus comes for His own.

Sleep well dearest mother.....
