*One night a man dreamed he was
walking along the beach with the Lord.
As scenes from his life flashed before him,
He looked at the path of footprints and noticed that
During the saddest times of his life,
There was only one set of footprints in the sand,
Harold, asked, "Lord, why did you leave me when
I needed you the most?"
The Lord replied, "My child I would never leave
you during your times of trial, when you see only
one set of footprints it was then I carried you."
"I took your hand when I heard you call, I turned
my back and left it all."
Family and friends don't cry anymore!!!*

*Love your niece,
Shatia*
